

We require that all flower petals used on Grand Oaks property be obtained from us. Amounts listed are suggested by the supplier.

Our roses are wind-dried and will not stain carpet, get slippery when wet, or turn brown. They are reusable and maintain color for months.

Rose Petal Covered Walkway

A dramatic rose petal walkway for the bridal path or to provide a lush entrance walkway to greet your guests as they arrive.

Light Coverage	1 ½ cups per sq. ft.
Moderate Coverage	3 cups per sq. ft.
Elaborate Coverage	5 cups per sq. ft.
Lavish – Total Coverage	6+ cups per sq. ft.

Flower Girl Basket

Freeze dried rose petals will not stain like fresh petals, making them perfect for flower girl baskets.

Small Basket	6 cups
Large Basket	12 cups

Bride & Groom Exit- Petal Toss

Add romance and sophistication to your grand exit when guests toss rose petals instead of bird seed or bubbles. Freeze dried rose petals are a natural, biodegradable product, so clean up is easy.

Pre-Filled Sachets or Cones	½-3/4 cup per guest
Baskets (guests help themselves)	1 cup per guest

Petal Table Decorations

Rose petals and candles make lovely accents for all types of events, and are an excellent conversation piece.

60" table, light covering	5-6 cups
---------------------------	----------

Invitations & Notes

Enclose 5-10 petals for envelope.

Honeymoon & Romantic Evening

Scatter petals on the bed (in a heart shape!), on the floor and all around the room. If there is a tub, place some on a dish for you to float on the bath later.

Queen or King Bed	30-60 cups
-------------------	------------

Centerpiece

Fill vases or surround large candles with rose petals.

10-20 cups

Champagne Service

Petals are stunning addition to trays used to serve champagne for wedding or New Years toasts!

Rose Petal Flyover

One of the most creative uses of our petals! For a dramatic effect at special events, flyovers by airplanes can release petals. For a more low-key flyover, release petals from hot air balloons.
